important information – read carefully

This is an advertising information. This material does not contain sufficient information to make an investment decision. The promoted investment means the purchase of participation units.

Detailed information concerning ESALIENS Infrastructure (the "Sub-fund") within ESALIENS Umbrella Foreign Specialized Open-End Investment Fund (the "Fund") is included in the Prospectus and the Key Information Document available on the www.esaliens.pl website, at individual fund distribution outlets as well as in written form in the registered office of ESALIENS TFI SA (Warsaw, 11a, Warecka Str.). The Prospectus as well as Key Information Document include the data required to evaluate an investment, outline the risks connected with participation in the fund, and inform on the related costs, charges and taxes. **Before investing in the Sub-fund, you should read the Prospectus and the Key Information Document issued for the selected Sub-fund unit class.**

Past performance is no guarantee of future returns. The Sub-funds' performance is reported before capital gains tax and the fees related to the investment units offered. Individual return rates depend on the unit purchase and redemption dates as well as on the amount of administration fee charged and the amount of tax due. The Fund does not guarantee that the Sub-fund's investment objective or a specific investment result will be achieved. Fund participants must take into account the possibility of losing at least part of their investment.

The Fund invests assets of the sub-fund mainly in instruments other than securities (except for participation titles in foreign funds) and money market instruments. The Fund allocates the Sub-fund's assets mainly in participation units of FTGF ClearBridge Infrastructure Value Fund subfund operating within the framework of Franklin Templeton Global Funds plc. The underlying Sub-fund, which is the main investment instrument, is described in the Fund's prospectus. The net asset value of the Sub-fund may exhibit high volatility owing to the composition of the investment portfolio.
